

Sample Brand & IP Audit: Redacted Findings

What families and schools receive - a redacted sample of the audit deliverable.

WHY THIS MATTERS

One audit deliverable is a written findings document. This redacted sample shows the structure families and schools receive: current footprint, platform and licensing risk, and prioritized next steps. All identifying details are removed. It is a demonstration of form, not a promise of results.

WHAT'S INSIDE

- Footprint: where the athlete, family, or school appears today
- Risk review: platform terms (such as Hudl), music in video, and consent gaps
- Prioritized actions: what to fix first, what to fix before signing anything
- Evidence: the family or school keeps control of every asset and account throughout

This resource is educational material meant to help you ask better questions. It is not legal, tax, financial, or investment advice, and it is not a contract. Louisiana law, platform terms, and school rules change. Confirm the current rules for your situation and have a qualified attorney review final documents whenever money, minors, or contracts are involved.

If this resource references an organization, platform, or law (including Louisiana Act 810 and La. R.S. 51:2500 et seq.), it is a plain-English overview, not the authoritative text. Read the actual statutes and terms before relying on any checklist.
