

Louisiana Act 810 NIL Consent Checklist

What should be in writing before anyone uses a minor's name, image, or likeness in Louisiana.

WHY THIS MATTERS

Act 810 governs name, image, and likeness (NIL) rights in Louisiana. Before a minor's image appears in a highlight, a sponsorship post, or a clinic video, written consent needs to exist. This one-page checklist walks families through the decision points so consent is explicit, dated, and documented.

WHAT'S INSIDE

- Who must sign: consent typically involves the parent or guardian and the minor
- What the consent covers: the purpose of use, channels, duration, and any compensation terms
- What records to keep: signed copies, dates, and the platform or use each consent applies to
- When to revisit: after a transfer, a birthday, or a change in who controls the account
- Education first: this checklist is guidance, not legal advice; a lawyer should review final documents whenever money is involved

This resource is educational material meant to help you ask better questions. It is not legal, tax, financial, or investment advice, and it is not a contract. Louisiana law, platform terms, and school rules change. Confirm the current rules for your situation and have a qualified attorney review final documents whenever money, minors, or contracts are involved.

If this resource references an organization, platform, or law (including Louisiana Act 810 and La. R.S. 51:2500 et seq.), it is a plain-English overview, not the authoritative text. Read the actual statutes and terms before relying on any checklist.
